

**Discovery Center of Springfield** is an interactive, hands-on museum committed to inspiring people of all ages with a life-long love of learning and an appreciation of the world and our place in it. As a private, non-profit organization, we appreciate the participation and support from those in the communities we serve.

- Earth balls of various sizes
- Thick foam board
- 2 of those big satellite dishes about 6 feet in diameter
- Old slide projector
- Router or (better yet) a Router Table
- Really GOOD rechargeable drill
- Hammer Drill
- Deep-well socket set
- Set of T-handle long-handle Hex Wrenches (Metric is priority, but need Standard also)
- Good set of drill bits – esp. masonry bits
- Dremmel (rotary tool) – variable speed, with a variety of bits
- Framing Square (90 degree angle w/ ruler)
- Quick release utility Clamps
- Small wireless camera
- Two sets of two way radios/walkie-talkies
